

We have been a member of [«Mountain Bike Holidays»](#) since summer 1999!  
«Mountain Bike Holidays» bike hotels are selected and controlled for quality assurance, and we are proud to be part of the team!

The expertise of professionals is available from the start to help you plan your vacation, choose your hotel accommodations and bike equipment, and guide you on the itineraries.  
The management of «Mountain Bike Holidays» select hotels and their guides are experts in the field and know how to please the most discriminating traveler. Their daily contact with cyclists has given them the experience needed to meet their guests' expectations and the knack for identifying tailor-made offers and service. Highly trained athletes, gourmet leisure cyclists, freeride and downhill enthusiasts, families with a passion for mountain biking, and cyclists who love both mountain and road bikes, all find a home in the «Mountain Bike Holidays» bike hotels. And, don't forget the ladies: the number of female mountain bikers is constantly growing and we tailor packages to their needs.  
«Mountain Bike Holidays» brings together hotel management and cyclists to offer personalized dream vacations that include theme-oriented packages, bespoke vacation packages, self-guided-trips, different grade itineraries, freeriding, marathon training, gourmet-lover itineraries, children's programs and much more!
